Customers may rent a wired or streaming Set Top Box (STB) or provide their own streaming device. Emergency Alert System (EAS) delivery is supported on most Amazon and Apple TV devices, but EAS and Caller ID are not guaranteed on streaming devices. A streaming STB that provides both EAS and Caller ID is available for \$5 per month.

Some restrictions apply. Not all services available in all areas. Contact your local office for details. Does not include taxes and surcharges. Channel lineup subject to change. Speeds listed are for customers with fiber. Speeds not guaranteed on wireless connection. This institution is an equal opportunity provider and employer.

Internet Plans
